## **WEDDING PHOTOGRAPHY**

Wedding packages are priced at \$200 per hour of coverage (3 hours minimum). The price includes the time spent processing pictures, a DVD slideshow, all high resolution images on CD or DVD, and a copyright release for all photos.

I exclusively photograph in RAW format. While this makes the processing more labor intensive, it results in the highest possible image quality, especially under challenging lighting conditions as are commonly encountered at weddings. Delivery of images to the clients will be in high quality JPG format.

Sample packages are as follows:

### **“Three Plus One”    \$795 + tax**

- 3 hours of wedding coverage
- 1 hour engagement session
- DVD slide show
- High resolution images on CD or DVD
- Copyright release for all photos

### **“Six Plus One”        \$1395 + tax**

- 6 hours of wedding coverage
- 1 hour engagement session
- DVD slide show
- High resolution image on CD or DVD
- Copyright release for all photos

All photos are delivered with a copyright release, granting the clients all rights to order prints at their photo lab of choice.

The \$200/hour pricing can also be applied to other events, such as corporate parties, receptions, etc. A one hour minimum applies to all events other than weddings.
