WEDDING PHOTOGRAPHY PRICING

All **wedding packages** include the following:

Wedding day coverage by two (2) photographers
All post-processing and retouching
High resolution images on CD or DVD
DVD slide show
Copyright release for all photos

2 hours coverage (minimum):	\$695 + tax
3 hours coverage:	\$995 + tax
4 hours coverage:	\$1195 + tax
5 hours coverage:	\$1395 + tax
6 hours coverage:	\$1595 + tax
	(\$200 + tax for each additional hour)

No extra charge for travel, as long as the location is within 50 miles of our home.

We exclusively photograph in RAW format. While this makes the processing more labor intensive, it results in the highest possible image quality, especially under challenging lighting conditions as are commonly encountered at weddings.

Delivery of images to the clients will be in high quality JPG format.

While the number of photos delivered varies from one wedding to the next, you should generally expect between 50 and 100 photos for each hour of coverage.

Wolfgang Bluhm Photography -- Price List

PORTRAIT AND EVENT PHOTOGRAPHY PRICING

OPTION 1: Time plus “Pay per Print” or “Photos on CD”

TIME: \$80 + tax per hour on location (one hour minimum)
No extra charge for the time spent processing the pictures.

PAY PER PRINT

The photographer retains all copyrights. Clients may **not** duplicate or distribute pictures in any form (electronically or in print).

- \$5** for each 4x6 inch print
 - \$7** for each 5x7 inch print
 - \$15** for each 8x10 inch print
 - \$20** for each 8x12 inch print
 - \$35** for each 11x14 inch print
 - \$50** for each 12x18 inch print
- (all prints are available either lustre/matte or glossy)

PHOTOS ON CD

Clients obtain full copyrights, including rights to make their own prints and to duplicate and distribute pictures electronically.

- \$25** for each photo in limited resolution (approx. 1 Megapixel)
- \$50** for each photo in full resolution (approx. 5-10 Megapixels)

Limited resolution photos (1200x800 pixels) are suitable for emailing, Web sites, and small prints (4x6 or 5x7). They will **not** yield acceptable print quality for larger prints.

Full resolution photos are usually between 5 and 10 Megapixels (depending on cropping) and generally yield excellent print quality up to 12x18 inches.

OPTION 2: Package Pricing

Coverage by one (1) photographer
All post-processing and retouching
High resolution images on CD or DVD
Copyright release for all photos

\$200 + tax per hour on location (one hour minimum)

No extra charge for travel, as long as the location is within 50 miles of our home.

Sales tax is applied to all photo orders, whether in print or on CD.

The portrait and event photography pricing on this page may not be applied to weddings.
